

BACHELOR'S DEGREE HONOURS TOP-UP OPTIONS

Current students at Geneva Business School have the opportunity during the **third year** of their Bachelor's Program to participate in a top-up Degree Program at a UK university via our partner **Qualifi**.

Qualifi is an approved and regulated body in the UK and Geneva Business School is an approved Qualifi center. That means our students can access university degree qualifications in the UK while studying with Geneva Business School.

Geneva Business School Students can enter the program once they have accumulated **120 ECTS** credits. Students can undertake the top-up Program when their studies are complete and graduate with a dual degree.
